

Debentures of Just Cash Flow Plc admitted to trading on GXG Main Quote

12 March 2014

The directors of Just Loans Plc (the "Company") are delighted to announce that the debentures of its subsidiary company, Just Cash Flow Plc, have been admitted to trading on GXG Main Quote with effect from 11 March 2014.

Just Cash Flow provides revolving credit facilities to businesses that cannot obtain traditional bank overdraft facilities. This may be in part due to the age of the company, its business model or the nature of its business. The facility provided by Just Cash Flow will give the customer the flexibility to draw down only the amount required and repay it at a non-fixed date, limiting borrowing costs. Just Cash Flow commenced operations from beginning of February 2014 and the directors are pleased with the progress to date. Just Cash Flow is a member of the National Association of Commercial Finance Brokers and of The Finance & Leasing Association.

The Directors of the Issuer accept responsibility for the contents of this announcement.
