

Closure of GXG Markets

7 August 2015

The directors are disappointed to note that GXG Markets have announced the closure of the market with effect from 18 August.

GXG Markets have provided a very useful trading platform for small growing companies and the Company has enjoyed a good working relationship with the London based representatives.

The directors are actively working to try to ensure that a quotation is obtained on an alternative market at the earliest possible time.

The Directors of the Issuer accept responsibility for the contents of this announcement.
