

Susanne Chishti Appointment

11 February 2017

Susanne Chishti, one of Europe's leading FinTech experts, has joined The Just Loans Group PLC's Board as a Non-Executive Director.

The Just Loans Group CEO John Davies says, "We are delighted to have someone of Susanne's experience and calibre joining us at a time when FinTech is enabling us to deliver customer service enhancements and providing new technologies in our back office. Additionally we are increasingly looking to support and invest in budding FinTech entrepreneurs that enhance our business model."

Susanne is CEO at FFINTECH Circle and Chairman of FINTECH Circle Innovate, roles that benefit from her entrepreneurial and mentoring skills, alongside her FinTech and banking experience. She is regularly called upon to present at leading FinTech conferences and events around the world. Susanne is also the co-Editor of THE FINTECH Book.

Susanne has been recognised in the European Digital Financial Services 'Power 50' 2015, - an independent ranking of the most influential individuals in Europe's digital financial services sector. She has also been named as one of the 100 leading women in FinTech and top 15 Twitter FinTech influencers.

Commenting on her appointment Susanne says, "Within the FinTech sector, alternative finance is booming across Europe as a result of the major banks' lack of lending post the financial crisis. I am delighted to be joining The Just Loans Group PLC; it does an excellent job in helping to bridge the funding gap that has restricted the progress of UK businesses over the last few years and it's now planning to take that model to other European market places."
